Governance member endorsement of the Integrated Annual Report

Publication of the Integrated Annual Report 2021

The COVID-19 pandemic has had an enormous impact on society, economy, and daily lives, and continues to change people's behaviors and values. I realized again that this paradigm shift is accelerating stakeholder capitalism and a new era has begun where corporate missions are to contribute to sustainable society. In response to such changes in the environment, we clearly state in our Mid-Term Management Plan that started this fiscal year that we aim to create both economic and social values by addressing social challenges through core businesses. With the publication of this fiscal year's Integrated Annual Report, we hope to deepen the understanding of all stakeholders about the Sampo Group's creation of medium- to long-term value by addressing social challenges.

In this report, the first section discusses the Sampo Group's newly established Purpose, its background, and the thinking behind it, mainly in the Group CEO message at the beginning. We consider our Purpose to be extremely important for demonstrating the value we deliver to society, or in other words, the Sampo Group's reason for existence. In the next section, we provide an overview of the Mid-Term Management Plan that started this fiscal year, and runs for a period of three years, during which we aim to deliver the Purpose. In this section, we discuss the Group's Materiality and SDGs in Business Management derived from exhaustive discussions by the senior management team about what kind of social challenges to address and what kind of values we can deliver. In the following sections, we made sure to use some concrete examples of initiatives to provide easy-to-understand information about our capitals as a source of the Group's competitiveness and the governance structure that underpins continuous value creation as well as the Sampo Group's businesses.

I hope this report will prove useful for facilitating constructive dialogue with all stakeholders, including customers, shareholders, investors, and Sampo Group partners.
