Sompo Holdings, Inc.

Sompo Japan Insurance Inc.

Sompo Fine Art Foundation

### **Sompo Museum of Art exhibition**

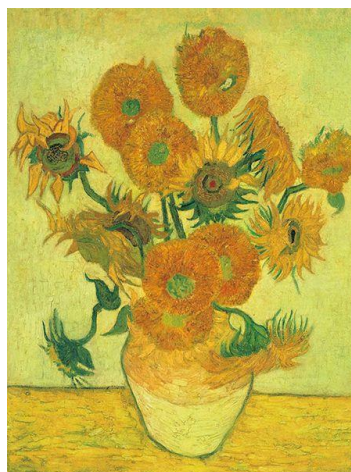

#### **“Van Gogh and Still Life: From Tradition to Innovation”**

Sompo Holdings, Inc. (Group CEO, Director, Chairman, and Representative Executive Officer: Kengo Sakurada) will exhibit “Van Gogh and Still Life: From Tradition to Innovation” at Sompo Museum. The exhibition will start from October 17(Tue.) .

#### **1. About the exhibition “Van Gogh and Still Life: From Tradition to Innovation”**

This exhibition will place Van Gogh within the development of still life painting in Europe, from the 17<sup>th</sup> century to the start of the 20<sup>th</sup> century, and explore what Van Gogh learned from his predecessors, how this was reflected in his own works, and how he influenced future generation of artists.

This exhibition will also focus on Van Gogh’s “Sunflowers”, which is on permanent display at the Sompo Museum of Art. The exhibition will also introduce works depicting sunflowers by Van Gogh and other painters.

## 3. Digital viewing system "Midokoro Cube®"

During the Van Gogh exhibition period, you can enjoy the "Midokoro Cube®" from the official website of the "Van Gogh and Still Life" exhibition. "Midokoro Cube®" is an interactive viewing system that uses a cube-based interface to introduce the relationships between the works on display in the exhibition from various perspectives. This content can be enjoyed even by those who have difficulty visiting the museum in person.
