Sompo Japan Nipponkoa Holdings, Inc.

**Assistance to Those Affected by the 2016 Kumamoto Earthquake
– SOMPO HOLDINGS Group Executives and Employees Donate Approx.
JPY 11 million through the Central Community Chest and Other Organizations –**

We extend our deepest condolences and sympathy to all those affected by the 2016 Kumamoto Earthquake.

In addition to our corporate donations, we at Sompo Japan Nipponkoa Holdings, Inc. (Group CEO: Kengo Sakurada, hereinafter “SOMPO HOLDINGS”) have solicited donations from executives and employees of SOMPO HOLDINGS Group companies in Japan and overseas to support all those affected by the 2016 Kumamoto Earthquake. An amount of approx. JPY 11 million has been collected as of May 23, and will be provided to assist earthquake victims through the Central Community Chest of Japan and other channels.

On April 25, the SOMPO Chikyu (Earth) Club*, a volunteer organization of which SOMPO HOLDINGS Group employees are members, made a donation of JPY 2 million to the Central Community Chest of Japan to support recovery activities in the disaster-affected areas.

In addition to the assistance provided by each company in their respective locations, the SOMPO HOLDINGS Group will continue to dedicate our utmost efforts to support the earthquake victims and the recovery of the affected areas.

*The SOMPO Chikyu (Earth) Club is a volunteer activity organization of which SOMPO HOLDINGS Group employees are members. It manages the “SOMPO Chikyu (Earth) Club Social Contribution Fund”, which is financed by voluntary donations by employees. The funds raised are used primarily for social contribution activities conducted by the SOMPO Chikyu (Earth) Club. It plays a pivotal role in conducting and facilitating volunteer activities by employees of SOMPO HOLDINGS Group companies.

- Donations from SOMPO HOLDINGS Group executives and employees provided to the earthquake victims through the Central Community Chest of Japan, etc.: Approx. JPY 11 million
- Donations from the SOMPO Chikyu (Earth) Club for recovery activities in the disaster-affected areas: JPY 2 million

Total donation: Approx. JPY 13 million
